Head Teacher: Mr Euan Burton-Smith

15 November 2024

Dear Prospective Candidate,

We are seeking a talented and creative KS2 class teacher. This is a full-time teaching position and an interest in Geography and History would be advantageous, but not essential.

The Mount School is a very special place indeed. We are an Independent School that provides a nurturing and challenging learning experience for all children where they feel safe, happy and ready to achieve their full potential. Our curriculum is designed to ensure all children have a wide range of learning opportunities in and out of the classroom underpinned by a deep understanding of English and mathematical excellence. We are looking for an ambitious and knowledgeable teacher that will help drive our whole school learning ethos.

At the Mount School, we understand each child is an individual and may need a different approach to succeed. All children are taught to be independent and interdependent learners that regularly work collaboratively. This collaboration is informed by choice, creativity and a deep understanding of effective critique.

All our staff are dedicated professionals that have the highest of expectations. The learning opportunities provided by The Mount School are immersive, inspiring and reward curiosity. The reputation of the school is firmly built on the foundations of academic success in 11+ entrance exams as well as scholarships to local independent schools.

All completed applications should be returned by Friday, 6th December by 12 noon via email to: susan.piliu@themount.org.uk

Tours of the school are also available on Wednesday, 4th December. Please contact Susan Piliu to arrange this.

The provisional for interview will be Tuesday, 10th December.

Yours faithfully,

Mr Euan Burton-Smith
Head Teacher
